

Commuter Superior MDS SI

- 1 Shimano Steps E5000 mid-drive motor, 40 Nm — quiet, smooth pedal assist.
- 2 Gates CDX belt drive — clean, silent and low-maintenance; lasts 2-3× longer than a chain.
- 3 Range up to 120 km on a single charge with a removable battery.
- 4 Short, sporty geometry — agile and manoeuvrable through busy city traffic.
- 5 Hydraulic disc brakes, front and rear, with Walk Assist for easy starts.
